

# LICENSE

IMPORTANT: This Productive Computing, Inc. End-User License Agreement ("EULA") is a legal AGREEMENT between you as a registered user and Productive Computing, Inc. for this Productive Computing software product. By installing, copying or otherwise using the software product, you agree to be bound by the terms of this EULA. If you do NOT agree to the terms of this EULA, then do NOT install or use this software product.

## SOFTWARE PRODUCT LICENSE

This software product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. This software product is licensed, not sold.

1. GRANT OF LICENSE. This EULA allows you, the registered computer software user, the following rights:

- This software may be used only by you. You may install and use one copy of this software product, or any prior version thereof for the same operating system, on a single computer.

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

- Restrictions: You may not reverse engineer, decompile, modify or disassemble this software product. This software product is licensed as a single product. Its component parts may not be separated for use on more than one computer. You may not sell, distribute, rent, lease or lend this software product to any other party.

- Software Transfer: You may permanently transfer all of your rights under this EULA, as long as you no longer have any copies, transfer all of this software product, components, media, documentation (printed or otherwise) and the recipient agrees to all terms of this EULA.
